

I Phillip: “the why”

Primary Text: Acts 8:26-40

*Isaiah 56:3, Zephaniah 3:10, John 8:32

~In these Scriptures are three references to either the Ethiopians, the region of Ethiopia, or the Eunuchs coming to know or worshiping God.

- I. Phillip left a revival in Samaria to travel 100 miles to the desert when the angel spoke to him
 - a. His response was obedience. He did not question God.
 - b. He had the heart of a disciple.
 - c. Would you have doubted God In this situation? How many miles of desert would it have taken you to say, “Lord, did I hear you correctly”?

~True disciples have the hearts of Abraham and Phillip. When God speaks they listen and obey; they do not question they just do.

- II. Phillip’s message to the Ethiopian was simple, but its doctrine was heavy
 - a. His message covered all ethnicities, cultures and classes

NOTES:

Question for thought:

- 1) Are you a believer or are you a disciple?
